

## Selected Georgia Climate Experts

Contact	Role	Specialties	Bio/Program Information
Marilyn Brown, PhD Georgia Tech marilyn.brown@pubpolicy.gatech.edu	Professor, School of Public Policy	Sustainable energy technologies	<a href="https://www.iac.gatech.edu/people/faculty/brown">https://www.iac.gatech.edu/people/faculty/brown</a>
Kim Cobb, PhD Georgia Tech kim.cobb@eas.gatech.edu	Chair, Earth & Atmospheric Sciences, Professor	Oceanography, paleoclimate (especially using corals to reconstruct past climates), weather & climate dynamics.	<a href="http://shadow.eas.gatech.edu/~kcobb/people/people.html">http://shadow.eas.gatech.edu/~kcobb/people/people.html</a>
Jeff Cook Univ of GA Extension mackiv@uga.edu	County Extension Coordinator	Southwest District, County: Peach County Taylor County Program Area: Agriculture & Natural Resources.	<a href="http://extension.uga.edu/about/personnel-directory/person.html?pk_id=6170&amp;name=Jeff%20Cook">http://extension.uga.edu/about/personnel-directory/person.html?pk_id=6170&amp;name=Jeff%20Cook</a>
Andre Grundstein, PhD Univ of Georgia andrewg@uga.edu	Professor, Dept of Geography	Climatologist, heat related threats to health.	<a href="http://geography.uga.edu/directory/people/andrew-j-grundstein">http://geography.uga.edu/directory/people/andrew-j-grundstein</a>
Chuck Hopkinson, PhD Univ of Georgia chopkins@uga.edu	Professor, Dept of Marine Sciences	Biogeochemistry and ecology of watersheds, wetlands, estuaries, and continental shelves; ecosystems, land use change, ecology.	<a href="http://www.marsci.uga.edu/directory/people/charles-s-hopkinson">http://www.marsci.uga.edu/directory/people/charles-s-hopkinson</a>
Erin K. Lipp, PhD Univ of Georgia elipp@uga.edu	Professor, College of Public Health	Public health, marine & aquatic microbiology and ecology; climate change and waterborne disease, disease ecology.	<a href="https://publichealth.uga.edu/faculty-member/erin-k-lipp/">https://publichealth.uga.edu/faculty-member/erin-k-lipp/</a>
Dr. Gabe Kooperman, PhD Univ of Georgia kooperman@uga.edu	Assistant Professor, Dept of Geography	Climate modeling, freshwater availability, sustainability of natural ecosystems, extremes (e.g., floods, droughts, heat waves), air quality	<a href="http://geography.uga.edu/directory/people/gabriel-j-kooperman">http://geography.uga.edu/directory/people/gabriel-j-kooperman</a>
Jamie Mitchem, PhD Univ of N. Georgia jamie.mitchem@ung.edu	Professor	Hazards, disasters, emergency management, social vulnerability, risk communication, tornadoes.	<a href="https://ung.edu/institute-environmental-spatial-analysis/faculty-staff-bio/jamie-mitchem.php">https://ung.edu/institute-environmental-spatial-analysis/faculty-staff-bio/jamie-mitchem.php</a>

## Selected Georgia Climate Experts

Contact	Role	Specialties	Bio/Program Information
Daniel Rochberg, PhD Emory Univ. daniel.rochberg@emory.edu	Chief Strategy Officer, Climate@Emory; Instructor, Public Health & Environ. Sciences, GA Drawdown Project	Climate change and sustainable development; founding member of the Georgia Climate Project: <a href="http://www.georgiaclimatoproject.org/">http://www.georgiaclimatoproject.org/</a>	<a href="http://web.gs.emory.edu/mdp/about/whoweare/teachingfaculty/bios/rochberg-daniel.html">http://web.gs.emory.edu/mdp/about/whoweare/teachingfaculty/bios/rochberg-daniel.html</a>
Kerrie Sendall, PhD Univ of S. Georgia ksendall@georgiasouthern.edu	Assistant Professor, Biology	Effect of climate change on plant physiology & functional traits (e.g. photosynthesis, growth, survival); forests, biodiversity, invasive species.	<a href="http://cosm.georgiasouthern.edu/biology/people/faculty/kerrie-sendall/">http://cosm.georgiasouthern.edu/biology/people/faculty/kerrie-sendall/</a>
Marshall Shepherd, PhD Univ of Georgia marshgeo@uga.edu	Director, Atmospheric Sciences; Distinguished Professor & Associate Head, Dept of Geography	Remote sensing, modeling, risk-vulnerability approaches to urban flooding, energy-food-water nexus, weather-climate risk, and communication-warnings.	<a href="http://geography.uga.edu/directory/people/j-marshall-shepherd">http://geography.uga.edu/directory/people/j-marshall-shepherd</a>
Stephanie Stuckey Southface	Director of Sustainability Services	Sustainability strategy for homes, workplaces, & communities.	<a href="https://saportareport.com/stephanie-stuckey-joins-southface-as-director-of-sustainability-services/">https://saportareport.com/stephanie-stuckey-joins-southface-as-director-of-sustainability-services/</a>
Shubhayu Saha, PhD CDC hsf5@cdc.gov	Senior Fellow, Climate and Health Program	Climate and health.	<a href="https://www.globalchange.gov/health-assessment">https://www.globalchange.gov/health-assessment</a>
Patrica Yager, PhD Univ of Georgia pyager@uga.edu	Professor, Dept of Marine Sciences Director, Climate and Society Initiative	Feedbacks between climate and marine ecosystems	<a href="http://www.marsci.uga.edu/directory/people/patricia-l-yager">http://www.marsci.uga.edu/directory/people/patricia-l-yager</a>
Bill Hawthorne City of Atlanta bhawthorne@atlantaga.gov	Chief Equity Officer and Interim Chief Resilience Officer	Preparation strategy for Atlanta residents, communities, institutions, businesses, and systems to survive and adapt to coming climate challenges	<a href="https://www.atlantaga.gov/government/mayor-s-office/executive-offices/office-of-resilience">https://www.atlantaga.gov/government/mayor-s-office/executive-offices/office-of-resilience</a>
Katharine Wilkinson Project Drawdown Katharine@drawdown.org	Vice President of Communication & Engagement, Lead Author of <i>Drawdown</i> — the book that inspired the movement	Writing/story-craft, public speaking, strategic communication, managing a movement as a non-profit	<a href="https://www.drawdown.org/staff/katharine-wilkinson">https://www.drawdown.org/staff/katharine-wilkinson</a>
